

## Skills Canada – Workplace Safety Competition

### Are you looking for the experience of a lifetime?

Look no further. Every year, the Skills Canada Competition holds a provincial, national and international Olympic-style event for young students and apprentices. This event brings together hundreds of students from all over the country, to compete in over 40 trade and technology competitions. This year, the provincial event will take place in **Tracadie-Sheila, N.B.**, and the national event will be in **Vancouver, B.C.**

To learn more about the skills competition, check out this website:

### Workplace Safety Competition

The Workplace Safety Competition is one of many events taking place during the Skills Canada Competition. Once again, WorkSafeNB will be involved in the provincial Workplace Safety Competition. We are very excited to be a part of this wonderful experience, and we would love for you to join in on the fun!

To learn more about the purpose of this challenge and about the skills and knowledge that will be tested, click on the link below:

Provincial Scope – Workplace Safety Competition

If you are a high school student with an interest in occupational health and safety, and you would like to compete at the provincial competition on **April 20, 2013**, contact Luc Morin 506 457-2762 before April 12, 2013.

Good luck and be safe!
